

| <b>Lot Number</b> | <b>Description</b>                           |
|-------------------|--|
| 1                 | Roberts model RT7 red rexine Receiver.       |
| 2                 | Roberts model R200 green rexine radio.       |
| 3                 | Hacker model RP35 black rexine radio.        |
| 4                 | Roberts model P4D blue rexine, Octal valves. |
| 5                 | 3 x portable radios.                         |
| 6                 | Philco mains portable, 1940's Receiver.      |
| 7                 | Ferguson model 401 receiver.                 |
| 8                 | Marconi type 144 Speaker.                    |
| 9                 | KB Masterpiece Bakelite case only.           |
| 10                | Marconi model 235, black/chrome Receiver.    |
| 11                | Murphy model BA229 6V batt. Portable.        |
| 12                | Tray of Assorted Valves.                     |
| 13                | Marconi TF894A Audio Tester.                 |
| 14                | Marconi T29A Receiver.                       |
| 15                | Advance type J-1A audio generator.           |
| 16                | HP type 415E SWR Meter.                      |
| 17                | Ferguson model 101 AC Receiver.              |
| 18                | Tray of Assorted Valves.                     |
| 19                | Monarch S3 battery Receiver, 1930's.         |
| 20                | KB model 430 Rejctostat Receiver.            |
| 21                | KB 1920's Oak cabinet Speaker.               |
| 22                | Vidor model CN216 mains Receiver.            |
| 23                | Marconi model 235, black/chrome Receiver.    |
| 24                | PYE 1930's cabinet Receiver.                 |
| 25                | Cossor model 439 battery Receiver.           |
| 26                | Marconi model 346 receiver.                  |
| 27                | Amplion RS20 Radiolux speaker (no driver).   |
| 28                | Ferranti UNA ac Receiver.                    |
| 29                | Ultra model 101 Receiver.                    |
| 30                | Cossor model 364 AC Receiver.                |
| 31                | GEC Overseas Bakelite Receiver.              |
| 32                | HMV model 186 cabinet speaker.               |
| 33                | Marconi model 883 console Receiver.          |
| 34                | Tray of Assorted Valves.                     |
| 35                | Tray of Assorted Valves.                     |
| 36                | Browning 1920's transportable Receiver.      |
| 37                | Bush model DAC1 Receiver.                    |
| 38                | KB model 610 Battery receiver, 1930's.       |
| 39                | Bush model AC41 Receiver.                    |
| 40                | Grundig model 2120 AM/FM Bakelite Receiver.  |
| 41                | Sony KV9-90UB portable 450/625 TV.           |
| 42                | Tray of Assorted Valves.                     |
| 43                | Tray of Assorted Valves.                     |
| 44                | PYE model TP/AC transportable Receiver.      |
| 45                | Cossor model 375 AC Receiver.                |
| 46                | Unknown 1930's mains Oak cabinet Receiver.   |
| 47                | Cossor 1930's mains Receiver.                |
| 48                | Vidor model CN277 AC Receiver.               |
| 49                | EKCO model TRG502 table-gram.                |
| 50                | Columbia model 350 AC Receiver.              |
| 51                | Cossor model 71 Ac Receiver.                 |

- 52 Taylor type 60 Signal generator.
- 53 Burgoyne 1930's Receiver.
- 54 GEC model BC3760 Receiver.
- 55 RCA model T8-14 Receiver.
- 56 Brandes 3 valve battery Receiver.
- 57 Cossor model 57 AC/DC Receiver.
- 58 Lissen 'Cathedral' Receiver.
- 59 HMV model 467 7 valve Superhet, 1933.
- 60 Taylor signal generator.
- 61 Taylor wobulator to accompany previous lot.
- 62 HMV model 469 8 valve Receiver, 1937.
- 63 Ultra model 25 Receiver.
- 64 Cossor model 376B battery Receiver.
- 65 Decca 'prestomatic' Receiver.
- 66 Lotus model 66 triple pentode Receiver.
- 67 HMV model 658 Receiver.
- 68 Tray of Assorted Valves.
- 69 Tray of Assorted Valves.
- 70 Technics RS-B205 Stereo Cassette deck, Exc. Cond.
- 71 Pair Aiwa stereo cassette decks AD-F800, AD-F410.
- 72 Dansette companion & Defiant transistor radios, Wkg
- 73 Pair of Marconi 6960B RF power meters.
- 74 Marconi TF2331 distortion factor meter.
- 75 PYE model MP 1939/40 Receiver, Wkg.
- 76 Tray of Assorted Valves.
- 77 Philips 19TG211A dual standard TV Working order.
- 78 Heathkit 'Oxford' UXR-2 Transistor radio + manual.
- 79 Heathkit 'Oxford' UXR-1 Transistor radio + manual.
- 80 Decca model TP44 'Debonair' transistor radio.
- 81 Ever Ready model C/A valve portable, B7G valves.
- 82 Nombrex model 41 RF signal generator.
- 83 PYE model P94MBQ-LW mains/batt portable restored.
- 84 EKCO model U241 MW/SW export Receiver, Wkg.
- 85 Roberts P5A mains/batt Receiver, instructions.
- 86 McMichael model 463 portable Receiver.
- 87 Bush model BAC31 portable Receiver, restored.
- 88 Barker model 88 Receiver.
- 89 PYE model QP/AC Receiver.
- 90 Defiant model MSH920 AC Receiver.
- 91 GEC model BC3860 Receiver.
- 92 Tray of Assorted Valves.
- 93 Tray of Assorted Valves.
- 94 Tray of Assorted Valves.
- 95 R1155 Comms. Receiver.
- 96 Hacker model RP17, exc cond. Wkg.
- 97 Box of electronic components, 150v neon stabiliser
- 98 Roberts RIC1 in tidy working condition.
- 99 Unilab schools sign and square wave generator, Wkg
- 100 Philips model 830A Super Inductance Receiver.
- 101 PYE model P26BQ portable, restored + PSU.
- 102 Decca model TP22 transistor radio.
- 103 Vidor model CN411 'Lido' portable radio.

104 GEC model G822 Transistomatic radio/camera. Wkg.  
105 Ever Ready 1930's mains Receiver.  
106 Bush model SAC31 Receiver.  
107 GEC 1930's AC mains Receiver.  
108 Tray of Assorted Valves.  
109 Tray of Assorted Valves.  
110 KB model 808 Receiver.  
111 Goodmans Axiom 112 Speaker, Wkg.  
112 Philips cone speaker, 12 Kilo Ohms impedance.  
113 Pair of 2A3 Audio Triodes, Test as new.  
114 Tray of older valves, inc. rare brands.  
115 Tray of new valves.  
116 pair of PP5/400 Audio Triodes, tested good, used.  
117 Pair of LS6A pip top Audio Triodes, tested, used.  
118 1920's home constructed, good quality Receiver.  
119 Marconi model P20B personal Receiver.  
120 Tray of useful parts.  
121 Philips model 2511 receiver.  
122 Marconi model 240 Console Receiver.  
123 Cossor model 238 batt.Receiver.  
124 GEC model BC635 AC Receiver.  
125 Hallicrafters S20R Comms. RX.  
126 Murphy model SAD94L Bakelite Receiver, Vgc, Wkg.  
127 Champion model 851, Wkg, Vgc.  
128 PYE 1930's Receiver.  
129 Ultra model 66 Receiver.  
130 Philips model 470A Bakelite Receiver.  
131 Hallicrafters metal case speaker.  
132 Cossor model 336 melody maker receiver.  
133 DeWalt model 406R American midget.  
134 Alba model C112 midget Bakelite Receiver.  
135 DeWalt model 406R American midget for spares.  
136 Marconi type 55 transportable Receiver.  
137 Osram 4 music magnet Receiver.  
138 Tray of Assorted Valves.  
139 Tray of Assorted Valves.  
140 McMichael Super Range Four, 1929, cabinet version.  
141 Bush model DAC90A, brown Bakelite Receiver, Vgc.  
142 KB Brandeset, 1929, Vgc.  
143 Two Celestion Ditton 15 Speakers, Vgc.  
144 Armstrong L/M/2xSW radio chassis, Vgc.  
145 Scopex 4D/10A dual beam Oscilloscope, Wkg, Vgc.  
146 Defiant model MSH950 Receiver.  
147 KB model 393 Batt. Receiver with orig instructions  
148 Advance E2 Signal generator.  
149 Brunswick model 5-KR American 110v Receiver.  
150 GEC model BC3444 Superhet 5 console Receiver.  
151 Marconiphone 105 Speaker.  
152 HMV 2714 22" colour TV, BRC 3500.  
153 ITT/KB 22" early colour TV.  
154 Tektronix type 191 constant amplitude Sig. Gen.  
155 Philips 22" G6 dual standard colour TV.

156 Philips model 577A Receiver.  
157 HMV model 148 Battery Receiver.  
158 Marconi TF995A/2M AM/FM Signal generator.  
159 Wireless World bound volumes.  
160 Wireless World bound volumes.  
161 Wireless World bound volumes.  
162 Wireless World bound volumes.  
163 Wireless World bound volumes.  
164 Wireless World bound volumes.  
165 Roberts AC LMS Blue rexine Receiver.  
166 GEC model BC635 Battery Receiver.  
167 Decca model MS50 portable Receiver.  
168 Philips model 727A Bakelite Receiver.  
169 Co-op C2203 22" 1970's colour TV.  
170 PYE model 61 24" Dual Standard B&W TV.  
171 Philips model 2601 1920's Console Receiver.  
172 Box of books and magazines.  
173 2x empty Bakelite radio cases.  
174 6x Books of bound patents for inventions.  
175 Box of radios and spares.  
176 PYE 1930's Receiver.  
177 Box of books and magazines.  
178 Assorted Valve and transistor portable radios.  
179 Ferguson record player.  
180 PYE 1950's Television.  
181 Akai 4000 R2R Stereo tape recorder.  
182 Philips PM2440 voltmeter.  
183 Tektronix type 602 display unit.  
184 Taylor 20B circuit analyser.  
185 Tektronix 453 Oscilloscope  
186 GEC dual standard early colour TV.  
187 Telequipment WG42 TV waveform generator.  
188 KB model 337 Hika 4 valve portable.  
189 Philips model 716B battery Receiver.  
190 Osram 4 New music magnet.  
191 Buah model AC11 Receiver.  
192 Bush model EU15 export Receiver, MW+4SW.  
193 EKCO model PB189 motor tuned Receiver, 1938.  
194 GEC model BC5244 Receiver, 1951.  
195 GEC model BC4040 Receiver, 1940.  
196 Taylor 45C valve tester, Wkg.  
197 Philips 1920's round dish Bakelite Speaker.  
198 Marconi TF2600 sensitive valve voltmeter.  
199 Marconi TF2604 electronic voltmeter.  
200 Columbia model 303 5 valve batt. Portable.  
201 Burndept model 201 twin speaker Receiver.  
202 Marconni TF2701 in situ universal bridge.  
203 Marconi TF1101 R-C Oscillator.  
204 1920's cabinet speaker, gold tinted cabinet.  
205 Telsen Macnamara Receiver.  
206 Case of Jaz and Dance Band LP's.  
207 McMichael RV8 twin Supervox Receiver.

208 PYE model CR/AC Receiver, on original stand.  
209 HMV model 442 Receiver.  
210 Murphy model B31 batt. Receiver + Accumulator.  
211 HMV model 341 Console Receiver.  
212 Bush model DAC90, black Bakelite, plain knobs.  
213 Grundig model 2043W/3D AM/FM Receiver.  
214 Home constructed Crystal Set.  
215 Braun model 88-UKW AM/FM Receiver.  
216 Box of radio-telephone equipment.  
217 PYE model MM 'Sun Rise' Receiver.  
218 Telefunken 'Andante 9' AM/FM Receiver.  
219 RevoPhone 2 valve amplifier, 1924.  
220 KB model OB10 'minuet' Receiver, Wkg.  
221 PYE model P131MBQ mains/batt. Receiver, Wkg.  
222 Ever Ready 'Sky Queen' portable Receiver.  
223 AVO CT537 transistor test set.  
224 Trio solid state Am/FM stereo tuner, KT-1000A.  
225 Bush model AC41 Receiver.  
226 Eddystone model S870 Comms RX, green case.  
227 Tech valve RF signal generator, TE-20D.  
228 Valve battery radio PSU.  
229 Ever Ready 5214, 2x chassis plus 1 cabinet.  
230 GECophone BC1620 cabinet horn speaker.  
231 BTS Trophy-V SW Receiver.  
232 Bush model VHF71 Bakelite AM/FM Receiver.  
233 KB model FR10 Receiver.  
234 Halle model 5120 AM/FM Receiver.  
235 Bush model VHF64 AM/FM Quality Receiver.  
236 KB model 381 Receiver.  
237 Misc. cables and meters.  
238 PYE model R33 Receiver, restored, Wkg.  
239 EF91 based, PW design radio.  
240 Tektronix 465B scope + manual, 1 channel faulty.  
241 Lafayette model HE30 Comms RX + manual.  
242 Selection of valve portables misc. chassis.  
243 Eddystone model S840C Comms Rx.  
244 Trio model 9R-59D Comms Rx. With manual.  
245 GEC model BC5445 Receiver.  
246 Box of assorted radio / workshop items.  
247 HMV model 481 Receiver.  
248 Early 1930's Radiogram.  
249 Large box of assorted Valves, New & used.  
250 Orion AR612, huge AM/FM Receiver.
